Honorable Sir:

This Replacement Amendment is being facsimile transmitted as a replacement for the Amendment that was mailed on March 8, 2006. Applicants' attorney discovered an error in the March 8 Amendment after it was mailed, and thus the Examiner is respectfully requested to disregard that Amendment and to instead consider this Replacement Amendment.

In response to the Office Action mailed January 3, 2006, and in view of the Examiner's remarks in the Advisory Action mailed July 15, 2005, please amend the above-identified application as indicated on the following pages.

If any questions should arise with respect to the amendments or the following remarks, or if it would in any way expedite the prosecution of this application, it is requested that the Examiner contact Applicants' attorney at the number listed below. If any fees are due in connection with the filing of this Amendment, including any fee for a required extension of time under 37 CFR 1.136(a) for which Applicants hereby petition, please charge all necessary fees to deposit account no. 50-0568.
